

SEO REPORT by

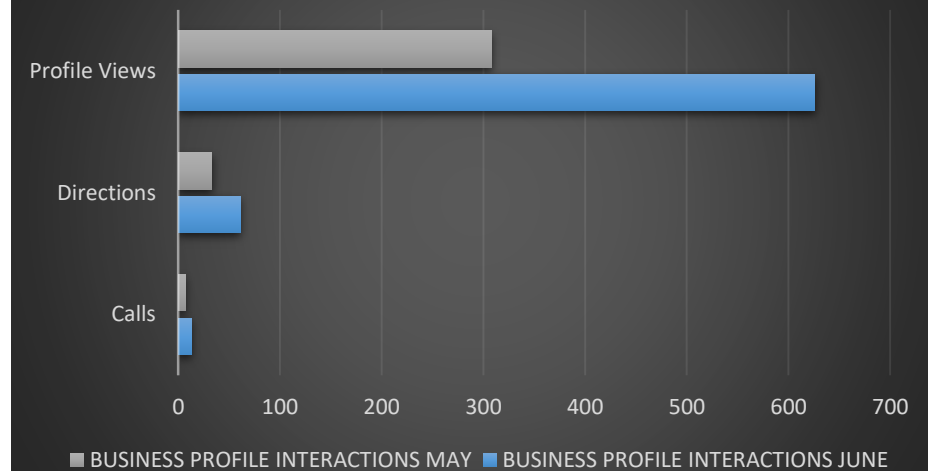

PAGE VISIT COUNTER FOR APRIL-MAY 2023

The Dr Deon Ferreira website page visit counter has proven that SEO has had a substantial effect on the amount of potential patients it reaches. Starting at 55 visits in April 2023 reaching over 1000 visits by the end of June 2023.

Business Profile Interactions

Since SEO set up was initialized in April 2023 Google business profile interactions have nearly doubled for every category available.

Search terms added into the coding of Dr Ferreira's website have appeared to gain popularity amongst searches for Prosthodontists in their area.
